

Application for  
**UQ Early Career Researcher  
Grant 2019**  
UQECR1945309 – FORBES, Ms Sarah

## A: Summary

### A1 Administering UQ School/Centre/Institute for the Project

[Select an organisational unit]

### A2 Proposal title

### A3 Proposal summary

Provide a plain language summary of the aims, significance and expected outcomes and benefits of the project.

### A4 Impact statement

Outline the intended impact of the Project, beyond contributions to academia.

### A5 FOR codes

Please select between one and three Field of Research codes.

| Percent | Code | Description |
|---------|------|-------------|
|         |      |             |
|         |      |             |
|         |      |             |

### A6 SEO codes

Please select between one and three Socio-Economic Objective codes.

| Percent | Code | Description |
|---------|------|-------------|
|         |      |             |
|         |      |             |
|         |      |             |

### A7 Type of research

Please refer to the [types of research reference](#) for a detailed explanation.

| Pure % | Strategic % | Applied % | Experimental % |
|--------|-------------|-----------|----------------|
|        |             |           |                |

### A8 Ethical and other clearances

If this application is successful, will you require ethical or other clearances?

Yes  No

### A9 Ethical and other clearances - category

Please indicate which category/ies will be required. Please be aware that [Strengthened Export Controls](#) (relating to intangible exports from Australia to a place outside Australia of controlled defence and strategic technology), apply after 2 April 2016. Please see [the UQR&I website](#) for further details.

Human (<http://www.uq.edu.au/research/integrity-compliance/human-ethics>)

- Animal (<http://www.uq.edu.au/research/integrity-compliance/animal-welfare>)
- Biosafety (<http://www.uq.edu.au/research/integrity-compliance/biosafety-exportcontrols>)
- Other

**A10 Other similar applications**

Have you submitted a similar application to any other scheme?

- Yes       No

**A11 Details of similar applications**

**A12 UQR&I Grants Library**

UQ Research & Innovation maintains a Library of successful grant applications to assist applicants in forthcoming rounds. The library has two categories:

- *Unrestricted* - we provide any UQ researcher with confidential access to the application on request.
- *Restricted* - we seek the lead investigator's permission before providing access to the application to any UQ researcher.

If your proposal is successful, are you willing to include your successful application in our Grants Library, and if so, under which category would you like it to be included?

- Yes - Unrestricted category
- Yes - Restricted category
- No - Please do not include my proposal in the UQR&I Grants Library

## B: Investigators

List the investigators on this project

### B1: Investigator - Ms Sarah Forbes

#### B1.1 Investigator name

Ms Sarah Forbes

#### B1.2 Applicant gender

- Male
- Female
- X (Indeterminate/Intersex/Unspecified)

#### B1.3 Current appointment type

- Research Focused
- Teaching and Research
- Clinical Academic
- MRI-UQ researchers with approved honorary UQ appointments

#### B1.4 Current position title

#### B1.5 Current appointment level

Please select a level

#### B1.6 Current appointment FTE

Please select an amount

#### B1.7 Current position start date

#### B1.8 Current position end date

#### B1.9 Employment on another research grant/fellowship

Are you currently employed on, or is your salary funded from, another grant or fellowship?

- Yes  No

#### B1.10 Grant/fellowship details

Please outline how the proposed UQ Early Career Researcher (ECR) Grant is clearly different from the grant on which you are employed.

#### B1.11 CI approval

Have you obtained written agreement from the CI of the other project to conduct the proposed UQ ECR Grant project? (Agreement should be retained on file by the applicant and made available to UQR&I if requested.) If the UQECR applicant *is* the lead investigator on the other Project/Fellowship, written agreement should be obtained from the Head of School, or equivalent, and retained on file by the applicant.

- Yes  No

#### B1.12 CRC association

Are you associated with a Cooperative Research Centre? Note that staff employed directly by a CRC are not eligible to apply under this scheme. Please refer to the eligibility criteria for further information.

- Yes  No

**B1.13 Name of CRC**

**B1.14 CRC salary**

Please provide the percentage of your salary you receive from the Centre, to the nearest whole percent.

**B1.15 CRC non-overlap**

Please outline how the proposed project is distinct from the work funded by the CRC, and confirm that there is adequate time and capacity to undertake the proposed ECR project and there are appropriate IP arrangements in place.

**B1.16 Research Higher Degree enrolment**

Are you currently completing a Research Higher Degree? (PhD or MPhil)

Yes  No

**B1.17 PhD qualification date**

Please enter the date your PhD was awarded.

**B1.18 Research Higher Degree details**

Please outline how the proposed UQ ECR project is clearly different from your Research Higher Degree project, and demonstrate how you will ensure the progress of your degree will not be affected by taking on the additional work outlines in this ECR project.

**B1.19 Research commitment**

Indicate the fractional commitment you will make to this project and other activities. The total percentages must add up to the amount specified in B1.6 (Current appointment FTE).

| This ECR grant % | Other research projects % | All other activities % |
|------------------|---------------------------|------------------------|
|                  |                           |                        |

**B1.20 Curriculum vitae (CV)**

Attach a summary CV of no more than four pages, in PDF format using the template provided.

No attachments

**B1.21 Career interruption/s**

Attach a PDF file of no more than one page, using the template format provided, to detail any periods of career interruption.

No attachments

## C: Budget

Create an entry for each line in your budget. Enter Budget Items in order of priority.

| #          | Type | Item | Amount requested (\$) |
|------------|------|------|-----------------------|
| No entries |      |      |                       |

### Totals

|                    |             |
|--------------------|-------------|
| Personnel          | \$ 0        |
| Equipment          | \$ 0        |
| Maintenance        | \$ 0        |
| Travel             | \$ 0        |
| Other              | \$ 0        |
| <b>Grand total</b> | <b>\$ 0</b> |

### Justification

DRAFT

## **D: Proposal**

### **D1 Research plan**

*Attach a PDF file of no more than seven A4 pages, using the template format provided, to outline the proposed research plan.*

*No attachments*

DRAFT

## E: Certifications

### E1 Certification by applicant

I certify that:

- To the best of my knowledge, all the details on this application form are true and complete.
- I have complied with the *2019 UQ Early Career Research Grants Scheme Guidelines* and if I am successful I will accept the *Conditions of Award* relating to this scheme.
- I will comply with all necessary UQ policies and procedures in discharging my responsibilities under this grant.
- I understand and agree that all UQ ethical and other clearances must be obtained before the proposed research can commence.
- In submitting this application, I consent to its referral to internal (UQ) assessors for consideration.
