

# RESEARCH CAPABILITIES SHOWCASE

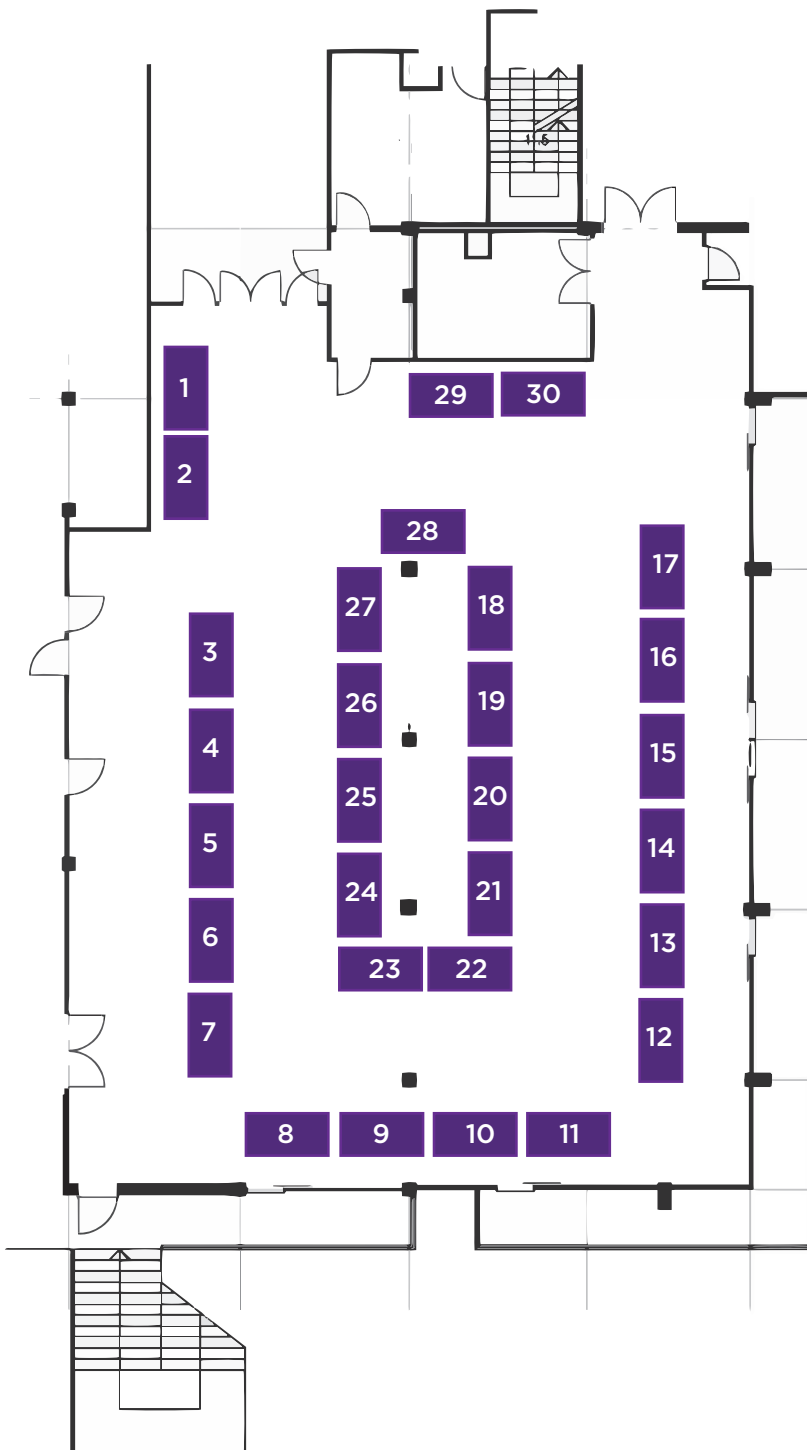

THE UNIVERSITY  
OF QUEENSLAND  
AUSTRALIA

CREATE CHANGE

Friday, 20 September 2019  
The University of Queensland, St Lucia

## UQ UNION, HEATH ROOM Booth layout

### Legend

1. and 2. Registrations
3. Research Infrastructure
4. School of Biomedical Sciences (SBMS)
5. UQ Centre for Clinical Research (UQCCR)
6. Translational Research Institute (TRI)
7. Institute for Molecular Bioscience (IMB)
8. Faculty of Science
9. National Biologics Training Program  
ARC Training Centre for Biopharmaceutical Innovation
10. National Biologics Facility & Metabolomics and Proteomics Australia
11. UQ Protein Expression Facility (PEF)
13. Australian National Fabrication Facility's Queensland Node (ANFF-Q) within AIBN
14. Centre for Geoanalytical Mass Spectrometry (CGMS)
15. Centre for Advanced Imaging (CAI)
16. Terrestrial Ecosystem Research Network (PVC RI)
17. Centre for Microscopy and Microanalysis (CMM)
18. Research Computing Centre (RCC)
19. National Imaging Facility (CAI, PVC RI)
20. School of Chemical Engineering
21. School of Communication and Arts
22. UniQuest (Queensland Emory Drug Discovery Initiative)
23. UQ Materials Performance (UQMP)
24. UQ Biological Resources (UQBR)
25. UQBR Queensland Animal Science Precinct (QASP) and AEGRC
26. School of Veterinary Science
27. Australian Institute for Bionengineering and Nanotechnology (AIBN)/StemCore
28. Spinifex-based Advanced Materials - AIBN
29. and 30. Queensland Alliance for Agriculture and Food Innovation (QAAFI); QAAFI-Centre for Nutrition & Food Sciences; QAAFI - Centre for Crop Science
