Research & Innovation Portfolio Staff Awards

Nominations are now open!

Nominate an individual or team at research.uq.edu.au/staffawards2020

The annual Research and Innovation staff awards aim to celebrate the achievements and successes of our colleagues that reflect and support UQ's values. Recognising our colleagues makes a statement about the culture we value and aspire to achieve within the Research and Innovation Portfolio.

A number of individual and team award categories are now open for nomination.
